

81 McKillop Street GEELONG VIC

3 1

Most recently used as a medical practice, this character weatherboard could be converted to a 3 bedroom home. A short stroll will find you in the centre of town and all that our great city has to offer. With excellent rear access, there is the potential to renovate/develop (subject to council approval) on this 468m2 (approx) allotment. An opportunity too good to miss!

Type : House
