

18 Washington Gardens LEOPOLD VIC

4 2 2

This Metricon Prada 28 features all the convenience of modern styling in a great location. A welcoming entrance is a precursor of what is to come as the home opens to inviting open living areas with quality at every turn. With the ability to adapt the bedrooms to suit specific needs (bedroom 4 could be used as an additional living area) and kitchen to excite the Curtis Stones among us, the internal features are covered. Externally, a private deck offers great entertaining options and the generous 1813m allotment (separate 2nd driveway to yard) caters for those with "bigger" toys (trailer, boat or caravan). Conversely, the tradespeople amongst us will be excited by the potential on offer. Backing onto the Rail Trail and on the doorstep of the Bellarine Peninsula with its' many attractions, the home is modest in size (but manageable)

Type : House
