

10 Philpott Street EAST GEELONG VIC

3 2 1

Located handy to the city, Eastern Beach and gardens is this original 3 bedroom character home. The lounge has leadlight windows and gas heating along with a split air conditioner in the spacious family room. The attic or 3rd bedroom has glimpses of the bay plus a sleepout with its own bathroom would be ideal for a teenager. A large workshop and carport plus good sized block makes this a wonderful opportunity to purchase in a prime location.
