

3 Hannan Crescent LEOPOLD VIC

3 1 2

This is an ideal first home or investment opportunity and would also suit a young or 'young at heart' family. Featuring 3 bedrooms (WIR in main), walk through bathroom, inviting lounge, well planned kitchen with adjoining meals/dining and double garage. Outdoors is equally impressive with a fantastic undercover entertaining area, garden shed, cubby and swing set to keep the kids busy and a sustainable garden. With its proximity to Leopold primary and all that this ever expanding area has to offer, this really is the perfect combination.
