A wonderful blend of old world charm and modern fittings make this 3 bedroom home the perfect combination. Some of the renovations include being rewired, replumbed and restumped. Two new bathrooms plus Smeg appliances in the modern kitchen. Beautiful polished floorboards in the formal lounge plus the open plan living area are a standout.

Other features include central heating, air conditioner, large undercover BBQ area, established garden plus side access to a lock up garage. This is an exceptional property in a great location.
