

78 Wandana Drive WANDANA HEIGHTS VIC

4 2 2

Offering a fantastic family package, this 4 BR and study home will please both Mum and Dad and the kids with its zoned living areas and added features.

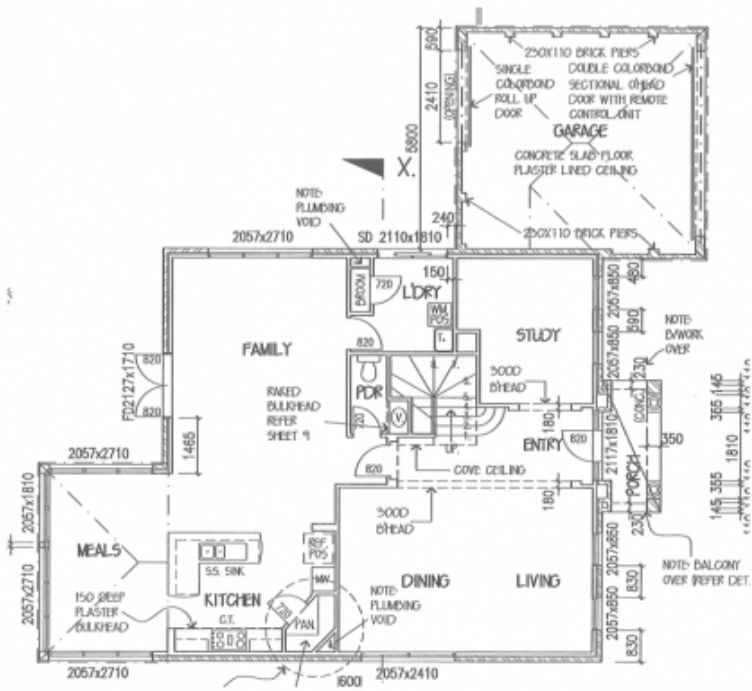

Downstairs are 3 separate living areas, the study (which could be used as an additional bedroom), powder room and modern kitchen.

4 bedrooms (main with ensuite), main bathroom and an additional living area adorn upstairs whilst a double garage, large timber deck & solar heated inground pool complete the package.

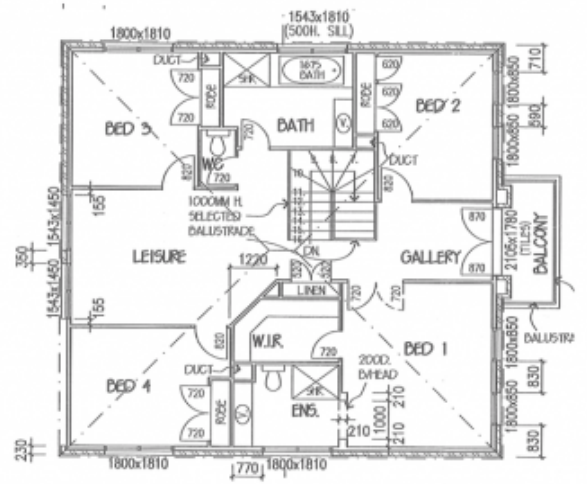

Easy access to local schools, shops and the ring road. This home has to be inspected to appreciate its value.

Type : House
