

19 Cairns Avenue NEWTOWN VIC

4 2 1

The best of Newtown's heritage combines with contemporary creature comforts to produce an outstanding family home. This expansive house has been totally reconstructed with every modern convenience imaginable.

The external heritage theme continues inside with classic skirting boards and panelled doors merging seamlessly with modern style through neutral tones. A programmable C Bus system controls all feature and standard lighting and audio-visual equipment. The family room and formal lounge feature Bose surround sound, there's a video doorbell, alarm system, ducted vac and ducted heating with refrigerated cooling. Warm tones of the solid Sydney blue gum timber floors offset stainless steel Miele appliances and tap-ware in the 2-pack kitchen.

A spacious main bedroom is served by a tiled ensuite with
