

31 Spectacle Way LEOPOLD VIC

3 2 2

Why build when you can own this fabulous home that is only 6 months old with all the benefits of a new home but without the hard work. The current owners are reluctantly relocating with their work after having their 3br home built to include several upgrades including stone benchtops, central heating, R/C air conditioning, 900mm stainless steel stove, dishwasher, an ensuite with 1200mm shwr and double vanity plus a remote control for the double garage. Neutral tones throughout are beautifully complemented by floating timber floors in the main living areas with tri-stacker glass doors that open to a lovely alfresco area where you can take in the views of Geelong's night lights. With the new lawns established and landscaping complete there is nothing to do here now but move in and enjoy. Call today to inspect.
