

24 Virginia Street NEWTOWN VIC

4 3 2

Located in arguably Newtown's finest street is this beautifully appointed residence which has been designed to meet all the requirements of modern day living.

The ground floor features 3 metre high ceilings which create a light filled interior of generous proportions. The formal entry hallway leads you past the lounge with OFP and separate dining room to the open plan family/meals area and fully equipped kitchen which hosts an array of Miele appliances, stone bench tops and walk in pantry.

Accommodation consists of 4 bedrooms (main with bay views), 5th bedroom/study, 3 bathrooms plus powder room. Outside is a north facing landscaped easily maintained garden, heated 11m lap pool, undercover deck with automated louvre roof system and a built in BBQ to round off a wonderful entertaining area.

Type : House
