

5 Sloanne Court HIGHTON VIC

4 2 2

The location of Geelong's premier addresses is shifting and this magnificent executive mansion is a prime example. Constructed to commercial grade specifications, using the best materials with complete attention to detail, this home is flawless.

Top of the range mod cons make home life a breeze, controlling sound in each living area and temperature from a central panel, along with ducted vacuum and keyless entry.

The heart of the two year old home is the wide expanse of the open kitchen, dining and living area, all set on sparkling porcelain tiles.

The gleaming white and stainless steel kitchen is a joy, from the 900mm oven and range, dishwasher, plumbed fridge alcove and water fall island bench to a walk in butlers
