

13 Mercury Crescent NEWCOMB VIC

3 1 4

VENDOR SAYS SELL!!

Located in an established area and with nothing to do but move straight in is this delightful 3 bedroom red brick home.

The neat and tidy presentation throughout includes an updated kitchen, gas heating in the lounge, private back yard plus huge 4 car garage.

This is a perfect start for the first home buyer or one for an investor (previously let at \$300 pw).

Either way - it's a little ripper!
