

## 9 Murray Street HAMLYN HEIGHTS VIC

3 1

Consider your options with this original 3 bedroom 1960's built home.

Terrific views over Geelong and the Bay can be enjoyed from the spacious open plan lounge dining area along with polished hardwood floorboards, return balcony, gas heating, under house workshop and storage.

This property offers a great opportunity to further improve the home or develop (S.T.C.A.) the large corner site.

Either way, you will be in a terrific area close to schools, shops and the ring road.
