This family haven - The Lauren 2600 - is an entertainer's delight.

The master sanctuary at the rear of the house provides privacy and tranquility with a huge walk through dressing room and ensuite.

Two more bedrooms, a study, bathroom and powder room are situated at the front, providing zoned living spaces.

The entry sweeps down to a magnificent kitchen with island bench and butler's pantry, opening on to a huge alfresco area. Relax in the enormous rumpus room at the end of the day.

"The Lauren" has it all.
