

152 Autumn Street GEELONG WEST VIC

4 1 2

Built circa 1917 this fabulous Federation style home boasts all the character of the era with the added advantage of a generous allotment of 948 sqm and two street frontages. Here you have a sizeable four bedroom family home with lots of room for the children to play plus an oversize double garage with remote doors and solar panels plus double gates creating great access for the tradesman or for the boat/caravan.

Alternatively there is great scope for further subdivision (STCA) utilizing Yuille St for separate access. This is something truly special in the heart of Geelong West. Call today to inspect.

Type : House
