

## 37 Pepperdine Way HIGHTON VIC

3 2 2

Architecturally designed with an interesting use of angles and lots of glass to capture natural light and maximise the view this is one that is sure to impress. Built on one level around open plan living this stylish elevated home incorporates eco friendly concepts including solar panels and the use of different materials and surfaces which makes this home a stand out for those looking for something alternative and truly different. Currently presented as 3 bedrooms with a study/4th bedroom there is an ensuite to the master and a huge main bathroom incorporating a spa bath.

Beautifully polished hardwood floors are a feature together with the bi-fold doors that invite the outdoors in. The low maintenance garden has been fully landscaped with a combination of roses, flowering natives and fruit trees to
