

## 115A Province Boulevard HIGHTON VIC

3 2 2

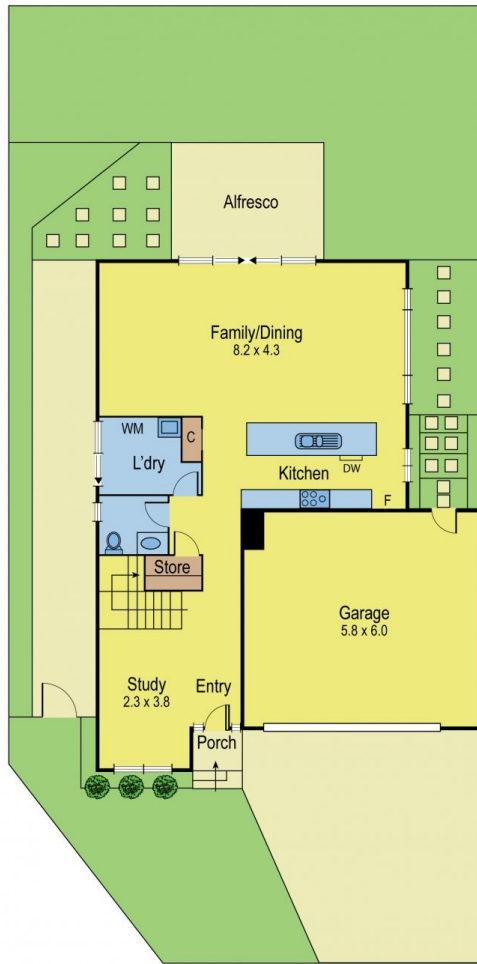

Step inside and be amazed how deceptively spacious this home is whilst being set on a great low maintenance allotment. With three very generous bedrooms (master with ensuite and WIR) plus an open plan study the home boasts two large separate living areas with ducted heating and vacuum system, plus R/C air conditioning and a remote controlled double garage. Neutral tones feature throughout with a stylish kitchen that has stone benchtops, glass splashbacks and SS appliances. It is central to the living area with double sliding doors that open to an alfresco area and a manageable amount of lawn to relax on. Whilst being only a few years old this one is close to transport, shops and the Ring Road and has lots of appeal. Call today to inspect.
