

3 Dundas Street HERNE HILL VIC

3 1 1

Individually styled with an architecturally designed extension this is a home with soul. A clever use of recycled timbers

as was radial sawn spotted gum boards gives the home a log cabin type of look whilst a north facing glass atrium contributes to the energy rating of the home making it economical and eco friendly. The new third bedroom has a raked ceiling and a hi-lite window which blends perfectly with the original home. The kitchen incorporates a modern black stove & rangehood and a commercial grade sink to entice the gourmet chef. The second bedroom has lovely French doors that open out so you can relax on the back deck and overlook the garden with chook pens, numerous fruit trees and a variety of herbs and just enjoy the serenity.
