Why would you build?

When you can move straight in and live in this builder's own home that is little more than 3 years young.

Situated in a quiet enclave within Wandana Heights this well designed and constructed residence presents a fantastic opportunity to a homebuyer looking for easy access to quality local schools, shops and the ring road connecting to the Surf Coast or Melbourne.

With magnificent views from the living areas this light filled home features a study, 3 bedrooms with built in robes (main with ensuite and WIR), open plan dining/lounge and modern kitchen with stone bench tops and all the mod cons. A second living room is located on the ground floor. Central heating throughout and air conditioning upstairs ensures comfortable living.
