

26 Weller Street Geelong West VIC

4 2 1

A gleaming example of a beautifully converted traditional shop front home circa 1889 which beholds a rich history and connection to the community. The front room is now a generously proportioned living area with a modern rustic ambience thanks to the burnished concrete flooring and soaring ceilings. Off the wide hallway you will find 4 generous and charming bedrooms with built in robes, the master featuring a walk-in-robe and stunning ensuite. The beautiful and spacious family bathroom is sure to impress. Towards the rear of the home is the sunlit kitchen featuring bespoke concrete bench tops, a walk in pantry and stainless steel appliances, overlooking the main living area with study nook. The boutique deck flows out to the north-facing rear yard featuring a carport and automatic swing gates. Other features include a large separate
