

7 Landes Avenue Highton VIC

4 2 2

Individually styled and perfectly presented this unique home built by one of Geelong's premier builders has been designed with family living in mind. From the moment you enter the quality is evident as is the attention to detail of this modern home that offers approx 30sqm of living. From the sunken lounge and study to the master suite which boasts a huge WIR and ensuite as well as its own private balcony/deck this is truly something special. Separated from the main living area is the children's area with 3 bedrooms (2 with WIR's) and the main bathroom. A gourmet's kitchen boasting a state of the art 900mm Smeg oven, butler's pantry and stone benchtops overlooks the family room which extends to a fabulous undercover entertaining area. Set on an allotment of approx 755 sqm and well located in good school zones, close to all
