Nestled in a beautiful garden setting of approx. 749 sqm this is a true family home with plenty of room for the children and pets to play and even room for a trampoline. A flexible floorplan allows for a spacious living/dining area with air conditioner and a well-appointed central kitchen that adjoins the family/meals area overlooking an undercover entertaining area which connects well for BBQ's on those balmy summer nights. Four generous bedrooms all have BIR's, whilst the master has a walk through robe to an ensuite. With a lock up single garage plus a single carport at the front there is ample off street parking for those extra vehicles and lots of potential for you to add your personal touches. Well located close to the Dorothy Street shops, transport and schools the position is ideal and so convenient. Put this one to the top of your list
