

11 Robin Avenue Norlane VIC

3 1 2

A flexible floorplan here allows for you to complete the existing renovations in your own style to suit your needs. Currently presented as a three bedroom with one bathroom there is also a room leading from the family room which could be finished as a second bathroom, or possibly converted to an ensuite.

Pine floorboards feature in the front of the home whilst the updated kitchen separates the lounge from the family room which opens to a large rear garden.

Set on a generous allotment of approx. 626sqm you can add your own touches to make this sizeable home into a great family home, or alternatively you have the potential to redevelop the site further (STCA).

With a carport as well as a garage/workshop there is lots of potential here for further improvements and all close handy

Land Size : 625 sqm
