Be the envy of your friends with this fabulous home that overlooks parkland and beyond to the Barwon river and the Balyang Sanctuary. This is the home you have been waiting for with two separate living areas (both with reverse cycle air conditioners) that open to the north facing balcony for those warm summer nights and an open fire for those cooler times. These rooms are divided by a large kitchen with stainless steel appliances and a view of the river as you prepare your meals. There are two generous bedrooms with the master featuring a walk-through robe to the main bathroom that doubles as an ensuite, whilst the back bedroom has built-in robes and a beautiful garden vista. An oversize single garage with an extra high door allows for those larger vehicles or even boat/caravan storage, plus there is potential for a second storey (STCA)
