

59 George Street Newtown VIC

3 2 2

Situated in one of Newtown's most sought after areas, this stunning three bedroom home blends modern sophistication with thoughtful design, offering the perfect balance of luxury and functionality.

A striking interior is highlighted by Herringbone-engineered oak floors and a stunning rammed earth feature wall. The open lounge area is bathed in natural light through large double-glazed windows, dressed with elegant sheer curtains, creating a seamless flow to the low maintenance backyard.

At the heart of the home is the impressive kitchen, featuring sleek Caesarstone benchtops, a spacious butler's pantry and premium Smeg appliances, offering both functionality
